OUR CULTURE

"Your rights are our concern."

ABOUT OUR FIRM

Founded in 2021, MABABO & ASSOCIATES INC has provided commercial, aviation, medical malpractice, contracts, administrative law, criminal, deceased estates, and labor law advice to clients nationwide.

Our legal services range from individual citizens, listed to private companies as well as small and medium-sized enterprises across all major industry sectors, including financial services, healthcare providers, aviation & transport, minerals & energy, information technology, trade, and hospitality industries.

Our lawyers are broadly qualified with specializations and experience in Labour Law, Intellectual Property, Medical Law, Commercial & Business Law, Family Law, and Civil & Criminal Liability.

The extensive network of law firms, professional consultants, and experts across South Africa that we have developed enhances the qualified advice that we provide to our clients.

The experience and in-depth knowledge that we have acquired underpins the proactive approach we take in protecting the interests, and identifying opportunities and risks for our clients.

The firm has demonstrated an ability to work on complex matters across various jurisdictions and we treat all matters with the same care, skill and diligence.

Goals and Strategy

Project proposals are outlines that describe the steps being taken to complete a project. It can be used in practically any industry, as long as it contains all the essential details. This includes the research behind the project, the basic idea and its relationship to the brand, and what needs to be implemented to achieve the project.

Timeline and Tasks

An excellent way to start your project proposal is by summarizing your idea. List the reasons behind it, the people involved, Add your objectives and pay particular attention to the problems you're trying to solve with your idea. Next, figure out how you're going to accomplish your goals.
